As Expected.

I play trombone and it has helped me out tremendously

Nice book and great service!

Fink's Studies in Legato is a must-have for every aspiring trombonist. It's a well chosen selection of various etudes by such luminaries as Panofka and Concone, with guidance from Dr Fink on how the pieces should be played. The reward for careful practice is a sense of satisfaction on hearing yourself play these delightful pieces over and over.

My sons trombone teacher recommend this book for my son to learn more advanced music theories .Great for middle school and high school trombonist .

Good.
