For decades, Quail Ridge Press has been collecting and publishing classic recipes from every corner of the country. The goal of this quest is to Preserve America's Food Heritage. The editors, Gwen McKee and Barbara Moseley have sought out the leading cookbooks within a state, and then selected the most popular recipes from these cookbooks to produce the different volumes in Quail Ridge Press' acclaimed Best of the Best State Cookbook Series. This series now totals thirty-eight volumes and contains over 15,000. Recipes in the Best of the Best series come from cookbooks all over America. Each of the cookbooks serves up a slice of Americana that is unique to the region and community. All of these people's choice recipes are easy to understand and prepare, and the instructions, methods, and familiar ingrediants are kitchen tested and user friendly. Best of the Best

cookbooks are full of outstanding recipes that you will want to cook over and over again.

I received three of these. I have a friend whom was raised in Alaska. About 15years ago he moved to Texas. This friend is 88years young.He still does his own cooking.He loves the book! So I gave one of my cookbooks to him. He loves it.Thanks.

I have been wanting this book since I came home from Alaska last month. It has some really interesting recipes that I am looking forward to trying. the book was advertised as "used" and shows some signs of wear. But it is for me, so that will not be a problem. The price was right!

These are some wonderful recipes - make sure that you try them!! You'll be glad that you did!!

Great recipes for Alaska, use this a lot.

Wow these are great cookbooks, with just about any recipe category you can imagine! They are extensive and plentiful. Thank you!

Probably my favorite cookbook! The recipes are easy to understand and easy to use and help you to provide a little taste of Alaska right at home...including those you can't cook because you don't have moose or caribou.

Gift for my sister which she loved!

I bought this book in Alaska for my mother and when I got home I went through the book and decided to get a copy for myself. I bought what I thought was going to be a gently used copy. When it arrived not only was it like brand new it was also autographed by the author. I was very surprised. I have already tried some of the recipes and they are very good.
