Customer Reviews

This book has given me the push I needed to move forward in doing what God has shown me to be my purpose. I've been told by many spiritual leaders that God has been waiting for me to ask. This book has taken away my fears so now I will do as Peter did when Jesus was walking on the water and told him to "come" to Him. I will do that from this day forward.

Gave my book to a friend who was recovering from surgery. Discovered I truly missed it and bought a second one for myself. The words in this book bring me great encouragement and hope when life presents extra struggles. "Oh, that you would bless me indeed..... keep me from evil."

Very worth reading!

Prefect

A wonderful reminder to be and do more for God by trusting and, more importantly, by asking & believing! You'll love the simple truths revealed through the personal stories of the author. This book is for anyone with a hunger to be more than "just" a blip in life--for God's glory.
