Customer Reviews

With her crisp writing and in-depth reporting, Vipond's created a terrific series of guide books.

--Cruise Critic
Anne Vipond goes beyond the standard cruise-guide fodder of ship and port descriptions and has created a comprehensive work. --Chicago Tribune
A gift-worthy guide to the ports. A gorgeous and well researched cruise book. --Cruise Travel Magazine

Veteran cruise writer Anne Vipond, author of several books on cruising describes this destination with concise and helpful detail for passengers wanting to maximize their time at each port of call. Anne has written for many magazines and newspapers in North America and several books for publishers in Europe.

The overviews and general information and shopping advice is wonderful. I preferred Rick Steves'

details, but his book doesn't cover the British Isles.

Very helpful guide for our cruise to the Baltics. I downloaded it to my Kindle and it was very convenient.

Tells us everything we wanted to know!

I purchased this prior to an upcoming cruise of several Baltic countries. Although, I have not completely read the book, I think it will provide me with some very interesting and useful information. It seems to be very comprehensive and current. It was recommended reading by the cruise ship company.

This book was bought for the information on the places we will be visiting in a future trip. It was suggested by the Cruise lines and it is very informative. I only skimmed the info and will use it on the trip and add info to the travel diary I will be writing.

Covered all the places the Viking Baltic cruise will stop.
