Customer Reviews

Wanderlust Travel Awards 2009 – 2014 "This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overview loaded with practical and useful content." – Gadling.com "Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." – Chicago Tribune "The best option! Color photos, maps, and diagrams bring the place to life." – The Philadelphia Inquirer

We used this during our little adult only side trip while in Europe on vacation. Small, insightful and just what we needed to get around Crete without a tour guide. It informed us that Cretans use the shoulder on the highway just like another lane. Unwritten rule: slower traffic "has" to move to the shoulder, so the faster cars can pass them. If not, you'll have someone glued to your rear bumper on the single lane highway the entire trip.

I should copy and paste my plaudits for the DK travel guides, because they are uniformly splendid in their informativeness and maps, photos, and diagrams. Read this, plan your trip accordingly, and GO!

Helpful and some very nice ideas of the best of what is available in Crete. Maybe not quite enough information.

Nice photos but not as helpful as I had hoped.

Exactly what we need for our trip. We always plan ahead and like to know what to expect. This is perfect.

as always, I love these travel books. If you don't know anything about a location you plan to visit, this is a great place to start.

Very helpful and up to date glad I got it

Arrived quickly, and great price. Thanks
