Pathfinder Roleplaying Game: Bestiary 4

Synopsis

The mightiest monsters and foulest foes of nightmare and legend rampage into your Pathfinder Roleplaying Game campaign with Bestiary 4! This collection of creatures shatters all past thresholds of danger and destructiveness with phenomenally powerful beings like demon lords, kaiju, juggernauts, and Great Old Ones – including invincible Cthulhu! Terrors like nosferatu vampires, clockwork dragons, twisted fleshwarps, and sadistic tooth fairies number among the more than 250 monsters collected to challenge heroes of every level of play – from first-level novices to mythic champions. New familiars, player-friendly races, and other allies also rise to aid characters in combating this host of horrors, while new templates – like mummified and fungal creatures – breathe fearsome new menace into your existing monstrous arsenal. Strike fear in the hearts of the mightiest heroes and shake the foundations of your campaign with Pathfinder Roleplaying Game: Bestiary 4.

Customer Reviews

Great layout, great art, and great monsters bring this book to life. As soon as I got my mitts on this book I couldn't put it down for some time. I will have quite a few hours of enjoyment using these monsters in my game.

This book has some of the most interesting monsters I've seen so far a varying degree of power including some mythic makes this book a excellent addition to anyone's collection. The artwork is outstanding and for some of the major monsters the back story is a interesting read in and of itself

the bestiary add to the wide array of creature in the pathfinder rpg some are nightmarish or other funny it has a creature for everyone

all I need to say it has chuluu in it. if you ever wanted starts for the dark lord himself look no father then here. while this book has a bunch of monsters its definitely worth the price

For a game master, pretty much all Bestiary books for a given system are a requirement for play. This book is no exception.

It was exactly what I needed. Thank you.

Gift for my geek kid. He loves it and keeps him occupied.

Bestiary 4 is better than the Bestiary 3 in my opinion. They put in many of the newer mythos in the world of sci-fi, including, but not limited to Cthulhu, and a version of godzilla. Love it.
