Customer Reviews

Borch, a cartographic publishing company from Germany, makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.

Love these laminated country maps. Nothing like seeing the map when reading about your planned ventures I used my Peru Borch, and just ordered two more - Ireland and Dublin.

These types of maps are the best. They are water proof and really come in handy. Especially in New Zealand when you are trying not to burn up your international minutes using google maps.

Great map.....all laminated so it will not fall apart! We are already marking our destinations, and getting excited about our upcoming trip to New Zealand! Thanks for your speedy service!

Very nice

There could have been more close ups for the bigger cities.

Great map. Nicely detailed without being cluttered.

great item, fast delivery

This map is the best in the market for a clear, concise overview of both New Zealand islands.
