Customer Reviews

I liked that this book was informative with Pictures and maps. Very worthwhile reading and hard to put down until done.

Concise

I love this series. I've gotten some of the other books and the first one I got proved to be very helpful as a guide. The others have just been great for decision-making in terms of figuring out where I'd

like to go. Great buy.

Wonderful addition to my collection. It helped me a lot during my first visit to Copenhagen
