Customer Reviews

"The Great Disneyland Scavenger Hunt" is an interactive treasure hunt through the Disneyland Resort that provides a thrilling, eye-opening adventure for the whole family.

Catherine Olen has enjoyed a love affair with the magic of the Disney theme parks for as long as she can remember, counting herself among Disneyland passholders for the last twenty-five years. Previously, Olen owned and operated Hollywood Grave Hunter and is the proud author of The Final Curtain: Celebrity Deaths and The Upside of Undertaking, chronicling her previous career experiences. She has been a correspondent to Entertainment Tonight (US and France), The Biography Channel, Reelz Network, and the Mark & Brian radio show.

What a fun book! The next time I am at Disneyland I will take this with me. It adds a whole new dimension to my visit as I learn things that I did not know and even things I thought I knew but are only myths. This makes even the stores which I have visited hundreds of times new and interesting all over again. Thank you Catherine for your attention to even the smallest detail.

Annual pass holder must have!

Fun!

Laughing out loud. This book is just too much fun for the simple abbreviation of LOL to suffice. I've been to Disneyland 100's of times and haven't seen or paid attention close enough to play along with this book. Can't wait to go visit 100's of more times just to find all the nooks and crannies listed. The book also has wonderful little golden nuggets of Disney trivia. Book delivers as promised whether it's your first time or 1000th time visiting Disneyland. Quit reading reviews and buy now, you won't regret it.

This book is so AWESOME if your a fan of theme parks!! It takes the time to show you so many of the wonderful little gems that aren't so easily visible. A great way to discover your favourite theme park when you're a regular Annual Psssholder & already know the attraction riding experience quite well!!

Helped with the fact checking so got to read it cover to cover in pre-release. Loved every minute of it. So much fun and informative too. Thought I was pretty knowledgeable about Disney...turns out there's a bunch I didn't know.

Should be packed next to the "Ears" in every Disneyphile's go-bag. Contains current fun park facts plus historical tidbits that might otherwise be lost to time. Brings fond memories back with every page read.

Do you want to increase your enjoyment of the Happiest Place on Earth? Buy this book. I used to go to Disneyland all the time as a kid and now I want to go again with this book at my side, to explore the park to the full.
