Life In The Negro Baseball Leagues (Way People Live)

Synopsis

While Major League Baseball enjoyed a widespread following in the first half of the twentieth century, another brand of ball existed in the shadows. Forced by segregation to develop their own leagues, African American athletes played an equally exciting game. Life for these ball players could be arduous, yet they endured the hardships because of one thing -- a love for the sport.

While Major League Baseball enjoyed a widespread following in the first half of the twentieth century, another brand of ball existed in the shadows. Forced by segregation to develop their own leagues, African American athletes played an equally exciting game. Life for these ball players could be arduous, yet they endured the hardships because of one thing -- a love for the sport.

I love reading about African-American History that wasn't taught in the schools. You find out that African-Americans contributed a lot to America but was never talked about or sweep under the rug. Definitely would recommend!!!
