Delhi & Rajasthan - Blue Guide Chapter (from Blue Guide India)

Synopsis

Discerning on-the-ground guide to the sights and monuments of these two key destinations. With practical information plus eating and accommodation tips. This ebook comprises two chapters from Blue Guide India: the best guide for the independent traveller to India's art, architecture and history. Superb maps, detailed sections on religions and culture. Written by the BBC's Sam Miller. According to William Dalrymple, who wrote the foreword: "I can vouch for its accuracy and novelty. It is the Indian guide which reaches the long-forgotten wonders ignored by other guides, and the best possible guide to off-the-beaten-track India."

Customer Reviews

A comprehensive book about Rajasthan. You may not find details about hotels or restaurants, but I find that kind of knowledge irrelevant today. You will learn a lot about the sites the area. More comprehensive than any other book I've read.

I don't like to carry books on trips anymore but sometimes find the kindle versions are hard to maneuver because of length. This is the perfect Kindle book for traveling in Northern India.
