# A Walking Tour Of Wilmington, Delaware - West End (Look Up, America!)

## Synopsis

There is no better way to see America than on foot. And there is no better way to appreciate what you are looking at than with a walking tour. Whether you are preparing for a road trip or just out to look at your own town in a new way, a downloadable walking tour from walkthetown.com is ready to explore when you are. Every tour also includes a quick primer on identifying architectural styles seen on American streets. When the trolley lines extended out west of center city in the late 1800s it became more convenient for commuters to live away from the downtown offices and long-time farms were converted into tony developments clustered around such wide parkways as Bancroft and Kentmere. This walking tour will begin at the gateway to Wilmington's West Side, a small triangular park at the intersection of Delaware and Pennsylvania avenues...
