## Customer Reviews

Franko Maps Ltd. is known for producing the best travel, dive and snorkel maps, guides and fish cards for the Caribbean and other locations worldwide.

Bought this laminated card as a reference guide (while diving) for an upcoming first dive trip to Cozumel. Also bought Franko's Map of the Island to plan dives and day trips with. There is not much island detail on the card. It is mostly devoted to listing the dive sites around the island on the east and west sides. The card is exactly what I wanted for my dive log book. Perfect size. It has a map of Cozumel Island on one side along with some of the sea life encountered around the island (with names) and all the dive sites. On the reverse side it has a very thorough list of sea life found in the different Cozumel dive sites. Recommend it; great reference card for Cozumel at a low price.

Small in size, portable!
